

# Love Ninja Notes

## Simply clip, jot, & post or plant

Ready to join in the secret mission of delivering love and delight anonymously to friends and strangers? Simply print out these two pages, cut along the dotted lines, jot a thought — or not, then deliver your ninja love like this:

- Via good ole fashioned snail mail
- hidden in someone's shoe
- left on a door stoop
- taped to a mirror in a home, office, or public place
- slipped on someone's desk when they're not there
- stapled to a dollar bill and hung from a tree
- accompanied by a single daisy or sweet edible treat
- any ole way that occurs to you!

You're so great because:

Psssst: You are  
an amazingly  
wonderful  
person!
